ALL-COUNTY INFORMATION NOTICE NO. I-10-99

- ☒ Clarification Requested by

- ☐ Initiated by CDSS

SUBJECT: RELEASE OF RELATIVE INFORMATION TO COMMUNITY COLLEGES

The purpose of this Notice is to notify counties that they may release to the California Community Colleges the names and addresses of relatives caring for dependent children for the purposes of offering them training opportunities.

The Department has become aware that counties are concerned that releasing the identities of relative caregivers of foster care children to community colleges violates the confidentiality protections they have under statute. The Department has determined that confidentiality laws do not prohibit this sharing of information.

Division 9, Part 2, Chapter 5, Section 10850 of the Welfare and Institutions Code is very specific as to with whom and for what purpose information regarding foster children and their caregivers can be shared. However, it also specifies in pertinent part that, "... this section shall not prohibit the furnishing of this information to other public agencies to the extent required for verifying eligibility or for other purposes directly connected with the administration of public social services..." The CDSS interprets this to mean that California Community Colleges, as a state organization, may receive names and addresses of relative caregivers in order to offer them training specific to meeting the unique needs they have as they take care of children from their own families who are dependents of the juvenile court.

The Department considers the training of relative caregivers to be one its top priorities in its efforts to make services available to relative caregivers equitable to those available to foster parents. Clearly, both types of caregivers are caring for children with the same needs, no matter who provides homes for them. We therefore request that counties assist us in these efforts by providing this information when needed.

If you have any questions regarding this information, please call our Foster Care Policy Bureau at (916) 445-0813.

Sincerely,

*Original Signed by:

CHAPTER 5. RECORDS

Section
§ 10850 Confidentiality; rules and regulations, violations; disclosure of confidential information regarding criminal act.

§ 10850 Confidentiality; rules and regulations, violations; disclosure of confidential information regarding criminal act.

(a) Except as otherwise provided in this section, all applications and records concerning any individual made or kept by any public officer or agency in connection with the administration of any provision of this code relating to any form of public social services for which grants-in-aid are received by this state from the United States government shall be confidential, and shall not be open to examination for any purpose not directly connected with the administration of that program, or any investigation, prosecution, or criminal or civil proceeding conducted in connection with the administration of any such program. The disclosure of any information which identifies by name or address any applicant for or recipient of these grants-in-aid to any committee or legislative body is prohibited, except as provided in subdivision (b).

(b) Except as otherwise provided in this section, no person shall publish or disclose or permit or cause to be published or disclosed any list of persons receiving public social services. Any county welfare department in this state may release lists of applicants for, or recipients of, public social services, to any other county welfare department or the State Department of Social services, and these lists or any other records shall be released when requested by any county welfare department or the State Department of Social Services. These lists or other records shall only be used for purposes directly connected with the administration of public social services. Except for those purposes, no person shall publish, disclose, or use or permit or cause to be published, disclosed, or used any confidential information pertaining to an applicant or recipient.

Any county welfare department and the State Department of Social Services shall provide any governmental entity which is authorized by law to conduct an audit or similar activity in connection with the administration of public social services, including any committee or legislative body so

authorized with access to any public social service applications and records described in subdivision (a) to the extent of the authorization. Those committees, legislative bodies and other entities may only request or use these records for the purpose of investigating the administration of public social services, and shall not disclose the identity of any applicant or recipient except in the case of a criminal or civil proceeding conducted in connection with the administration of public social services.

However, this section shall not prohibit the furnishing of this information to other public agencies to the extent required for verifying eligibility or for other purposes directly connected with the administration of public social services, or to county superintendents of schools or superintendents of school districts only as necessary for the administration of federally assisted programs providing assistance in cash or in-kind or services directly to individuals on the basis of need. Any person knowingly and intentionally violating***this subdivision is guilty of a misdemeanor.

Further, in the context of a petition for the appointment of a conservator for a person who is receiving or has received aid from a public agency, as indicated above, or in the context of a criminal prosecution for a violation of Section 368 of the Penal Code both of the following shall apply:

(1) An Adult Protective Services employee or Ombudsman may answer truthfully at any proceeding related to the petition or prosecution, when asked if he or she is aware of information that he or she believes is related to the legal mental capacity of that aid recipient or the need for a conservatorship for that aid recipient. If the Adult Protective Services employee or Ombudsman states that he or she is aware of such information, the court may order the Adult Protective Services employee or Ombudsman to testify about his or her observations and to disclose all relevant agency records.

(2) The court may order the Adult Protective Services employee or Ombudsman to testify about his or her observations and to disclose any relevant agency records if the court has other independent reason to believe that the Adult Protection Services employee or Ombudsman has information that would facilitate the resolution of the matter.

(c) The State Department of Social Services may make rules and regulations governing the custody, use, and preservation of all records, papers, files, and communications pertaining to the administration of the laws relating to public social services under their jurisdiction. The rules and regulations shall be binding on all departments, officials and employees of the state, or of any political subdivision of the state and may provide for giving information to or exchanging information with agencies, public or political subdivisions of the state, and may provide for giving information to or exchanging information with agencies, public or private, which are engaged in planning, providing or securing social services for or in behalf of recipients or applicants; and for making case records available for research purposes, provided,

that the research will not result in the disclosure of the identity of applicants for or recipients of public social services.

(d) Any person, including every public officer and employee, who knowingly secures or possesses, other than in the course of official duty, an official list or a list compiled from official sources, published or disclosed in violation of this section, of persons who have applied for or who have been granted any form of public social services for which state or federal funds are made available to the counties is guilty of a misdemeanor.

(e) This section shall not be construed to prohibit an employee of a county welfare department from disclosing confidential information concerning a public social services applicant or recipient to a state or local law enforcement agency investigating or gathering information regarding a criminal act committed in a welfare department office, a criminal act against any county or state welfare worker, or any criminal act witnessed by any county or state welfare worker while involved in the administration of public social services at any location. Further, this section shall not be construed to prohibit an employee of a county welfare department from disclosing confidential information concerning a public social services applicant or recipient to a state or local law enforcement agency investigating or gathering information regarding a criminal act intentionally committed by the applicant or recipient against any off-duty county or state welfare worker in retaliation for an act performed in the course of the welfare worker's duty when the person committing the offense knows or reasonably should know that the victim is a state or county welfare worker. These criminal acts shall include only those which are in violation of state or local law. Disclosure of confidential information pursuant to this subdivision shall be limited to the applicant's or recipient's name, physical description, and address.

(f) The provisions of this section shall be operative only to the extent permitted by federal law and shall not apply to, but exclude, Chapter 7 (commencing with Section 14000) of this decision, entitled "Basic Health Care", and for which a grant-in-aid is received by the state under Title XIX of the Social Security Act. DIVISION 19 CONFIDENTIALITY OF INFORMATION**CHAPTER 19-000 CONFIDENTIALITY OF RECORDS****19-001 CONFIDENTIALITY OF RECORDS - OBJECTIVE AND SCOPE****19-001**

In accordance with Welfare and Institutions Code (W&IC) Section 10850 and 45 CFR Section 205.50(a), these regulations were created to protect the applicants and recipients against identification, exploitation or embarrassment that could result from the release of information identifying them as having applied for or having received public assistance. They also outline under what circumstances and to whom such information may be released. These regulations pertain to all records, papers, files and communications pertaining to the following public social service programs, both aid and services, administered or supervised by the California Department of Social Services (CDSS), AFDC (including WIN, and Child Welfare Services), APSB, SSP (all segments), and Title XX, unless otherwise indicated. These regulations bind public and private agencies with whom the county contracts to perform any part of the covered public social service programs. The CDSS programs not covered by these regulations have their own rules regarding records and confidentiality which are to be referred to when dealing with such records, e.g., food stamps in Section 63-201.3 and Adoptions in Title 22 of the California Administrative Code. The term public social services programs is defined as both assistance and social service programs administered or supervised by CDSS or the State Department of Health Services.

19-002 INFORMATION THAT IS CONFIDENTIAL**19-002****.1 General**

Names, addresses and all other information concerning the circumstances of any individual for whom or about whom information is obtained is confidential and shall be safeguarded. This is true of all information whether written or oral.

No disclosure of any information, obtained by a representative, agent or employee of CDSS or of the county welfare department, in the course of discharging his or her duties, shall be made, directly or indirectly other than in the administration of public social service programs, or as noted below, or as prescribed by statute. (This includes acknowledgement by a welfare department receptionist or telephone operator that a person is receiving assistance.)

19-002 INFORMATION THAT IS CONFIDENTIAL (Continued)

19-002

Disclosure of information which identifies by name or address any applicant or recipient of public social services to federal, state or local legislative bodies and their committees without such applicant or recipient's consent is prohibited. Such bodies include the United States Congress, the California State Senate and Assembly, city councils and county boards of supervisors. Exceptions to this rule are found in Section 19-004.3 of this division regarding audits and MPP Section 25-480, concerning discharge of accounts.

Both the release and possession of confidential information in violation of the rules of this division are misdemeanors.

.22 Confidentiality and Disclosure

No employee or former employee of the county who has or had access to tax information in any manner connected with his/her service shall disclose any tax information obtained by him/her except for the purposes provided in Section 20-006.

.3 Public Officials

- .31 Certain public officials, and their duly appointed agents, and deputies, are entitled to examine confidential information. The information specified may alternately be released by telephone, whereupon the head of the law enforcement agency shall submit the request in writing within five days of the release.

This section shall not be construed to authorize the release of a general list identifying individuals applying for or receiving public social services.

19-004 RELEASE OF CONFIDENTIAL INFORMATION (Continued)**19-004****.5 Release of Confidential Information in Conjunction With a Lawsuit**

If an applicant/recipient or caretaker relative becomes a party or plaintiff in any suit against the State of California, any political subdivision of the state, or any agency administering the laws governing the administration of public social services and such suit challenges the validity of the laws governing the administration of public social services or the manner in which the laws have been applied, the attorney representing the state, political subdivision, or agency shall be given access to all files and records relating to the plaintiff. Such files and records may be disclosed to the court having jurisdiction of the lawsuit insofar as they are relevant to the determination of any factual or legal issue in the case. In such cases, it should be brought to the court's attention, when presented with the requested information, of the state law and policy against further disclosure of the information.

On notice of court action ordering records to be produced, where the action is not connected with the administration of public social services, (see 19-002), the county shall notify the appropriate legal officer (county counsel). Such legal officer shall be requested to take immediate action to safeguard the confidential nature of the records.

.6 Release to Schools

- .61 Confidential case information may be released to county superintendents of school and superintendents of school districts, and their representatives, as necessary for the administration of federally-assisted programs which provide assistance in cash, in-kind, or services directly to individuals on the basis of need. - .62 Information concerning the number of AFDC families living within a particular school district requested to support entitlement to funds under the Elementary and Secondary Education Act (ESEA) may be released to authorized representatives of the school district. A signed agreement with the school district stating that the confidential information obtained will only be used for purposes of fund claiming under the ESEA and that the district understands that there is a criminal penalty for release or use by the school district for any other purpose shall be obtained. This prohibition includes the use of the confidential records to identify applicants or recipients to school teachers and administrators.

---------------	--	---------------

.7 Disclosure to Parents Who Wish to be Reunited With Their Family

- .71 Where a person claims to be an absent parent, her/his identification should be verified.
- .72 No acknowledgement to the requesting parent that the child(ren) or other parent are receiving aid may be made.
- .73 If the family is aided, the aided caretaker shall be contacted for permission to release information. If permission is granted, the information shall be released.
- .74 If the absent parent alleges that the aided parent has kidnapped, abused or neglected the child(ren), the case should be referred to the child protective services for appropriate action. The name and address of the applicant or recipient may be released to law enforcement officials for the purpose of locating abducting parents and the abducted child(ren).

.8 Release to Research Organizations

Information requested by research organizations may be released without authorization of the applicant/recipient. Research organizations requesting information must guarantee in writing that they will meet the conditions and protections of this division and Welfare and Institutions Code Section 10850.

.9 Release of Food Stamp Case Information to Law Enforcement Officials

- .91 In the Food Stamp Program, the address, social security number, and, if available, photograph of any member of a household, shall be made available to any Federal, State, or local law enforcement officer if the officer furnishes CDSS or the county welfare department with the name of the member and notifies CDSS or the county welfare department that:
 - .911 The member is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime (or attempt to commit a crime) that, under the law of the place the member is fleeing, is a felony (or if from New Jersey, a high misdemeanor); or
 - .912 The member is violating a condition of probation or parole imposed under Federal or State law; or
 - .913 The member has information that is necessary for the officer to conduct an official duty related to Sections 19-004.911 and .912;
 - .914 Locating or apprehending the member is an official duty; and
 - .915 The request is being made in the proper exercise of an official duty.

NOTE: Authority cited: Sections [10553](#), [10554](#), and [10850](#), Welfare and Institutions Code. Reference: Sections [10850](#) and [11495](#), Welfare and Institutions Code and Public Law (P.L.) 104-193, Section 837 (Personal Responsibility and Work Opportunity Reconciliation Act of 1996).

19-005	RELEASE TO APPLICANT/RECIPIENT OR AUTHORIZED REPRESENTATIVE	19-005
---------------	--	---------------

.1 Information Supplied By the Applicant/Recipient

Information relating to eligibility that was provided solely by the applicant/recipient contained in applications and other records made or kept by the county welfare department in connection with the administration of the public assistance program shall be open to inspection by the applicant/recipient or his/her authorized representative.

.2 Authorizations

For purposes of this section, an authorized representative is a person or group who has authorization from the applicant/recipient to act for him/her.

.21 Written Authorizations

Except, as otherwise provided, all authorizations are to be written.

Written authorizations shall be dated and shall expire one year from the date on which they are given unless they are expressly limited to a shorter period or revoked. In cases involving pending appeals or state hearings, the time period, unless the authorization is expressly limited or revoked, shall extend to the final disposition of the issue involved in the fair hearing or, where applicable, by the courts.

When the authorized representative and the applicant/recipient, or responsible relative caring for the AFDC child are both present, no written authorization is required for that particular occasion.

.22 Telephone Authorizations

Telephone authorizations may be accepted in lieu of a written authorization where the circumstances insure that the applicant or recipient has adequately identified himself or herself to the county. A telephone authorization is temporary and should be followed up by a written authorization.

Acceptable items of identification are to be determined by the county but may include such items as case numbers, driver's license numbers, social security account numbers or the mother's maiden name. The procedure for telephone authorizations will usually involve the applicant or recipient first calling their eligibility worker and notifying the worker of whom will be calling on their behalf. This call will authorize the release of confidential information. Examples of typical circumstances for releasing confidential information by telephone authorization include inquiries from medical offices, welfare rights organizations or legislators calling on behalf of the recipient.
